fetish fun

There's often more than a sexual contradiction in the use of the word fetish. In some cases it means less than we think; in others, more.

Essentially it means something false, artificial. Its second meaning (and seldom do people mean this when they use the word) suggests some object with a kind of mystical and magical power or quality. Usually when fetish is associated with cults or tribes, it

Among primitive peoples there is always something sacred and magical about a fetish or an amulet. It keeps away sickness, all kinds of fever, tropical storms, and can insure a good harvest by driving away venom or pests that could destroy the crops. A fetish can also bring love, secure a marriage or bribe the mother or father-in-law in terms of increasing the bride's dowry or the groom's contribution to the marriage.

Fetish is also thought of as an object of irrational reverence or obsessive devotion. In a way Russian ikons and other symbolic forms such as the totem poles of Native American tribes by extension are both tangible and intangible object forms and are as often cherished unreasonably as they are obsessively.

Many fetishes are said to have extraordinary magical powers effective in repelling evil spirits and in attracting their opposite. And very often in today's society, the concept of fetish implies something markedly efficacious in some manner or other especially when it is an inscribed ornament worn on the body such as the religious cross mentioned above, a pin, even a ring or a belt buckle.

But for most of us, fetish means an object on which is lavished exceptional erotic interest and which provides a sexual satisfaction about which many people find nothing irrational or extravagant but indeed a perfectly normal "thing" that satisfies them immensely.

There is no object on earth, including human excrement, which cannot be utilized as a fetish by someone or another. In literature there are countless episodes listing excrement as an object of love and one of the most obvious is a new mother's love for the poop of her new born infant.

Is there any wonder then that the anus itself is a fetish, an object complete with its magical sphincter muscle, special perfume and capacity to suck in a finger or a cock, or even a tongue genuine artificial?

Anal eroticism has always been a controversial

has the significance or the power of the fetish having something to do with protecting its owner or the person who wears it.

In this sense, the words talisman, charm, amulet or any kind of special jewelry worn to ward off the devils also apply.

subject but when the concept of fetishism is applied, one easily discovers the deep and abiding significance of anal sex; and one can easily understand the utter fascination the asshole has for males and females alike.

Psychologists have discovered that of all the physical portions of the body, the anus grips (pun intended) the imagination more powerfully. And it's not only in respect to the wild erotic sensations one feels thrilling throughout their body, but more the fact that the asshole is the "back door," the secret entrance to the human body. It can be noted that of

all the orifices in the body, the anus is the better protected and the less accessible to danger.

So while the anus is a sexual fetish and we are concerned here almost exclusively with the sexually exciting and erotic features of a fetish, isn't it curious that by itself (except in tribal fertility rites) the penis and especially the testicles do not lend themselves to the category of fetish?

The fingers do certainly, the toes and the feet.

The nose has its particular sexual fan club as does the ear and the back of the head, even the bumps in the head.

But most portions or organs of the human body are not fetish material. One does admire the eyes, the posture, broad shoulders, narrow waists, etc., but that is as far as it goes... except for those who find themselves excruciatingly devoted to the belly button or the ass cheeks.

Outside of the human body, the world of object fetish is truly extravagant. Articles of clothing (usually feminine) come first. This would include, beginning from the ground up, covering for feet, toes, heels, soles of feet, ankles, calves, thighs, buttocks, small of back, breasts, neck, shoulders and arms. Seldom are fetishes for the head acknowledged, although hats do play a major role in fashion and foul weather.

A whip is considered a fetish prop. So are the enema syringe and the tube. Today dildos can be considered fetish items as well as rubber sheaths with their gorgeous array of grids and prickles and studs that scrape and scratch the roof, floor and the shimmering sides of a sucking vagina.

As a fetish, hair is probably the most popular next to footwear and the foot and toes themselves, although many witnesses on the fetish scene would argue that one comes before the other. Where smell and taste are concerned, there are as many sexually erotic perfumes, aromas as there are taste stimulators that bring on instant salivation.

But many men and women believe that there is no greater fetish odor than that of the normal, natural body, meaning musky sweat, dried or slippery wet perspiration that is at once intoxicating and behaves as an aphrodisiac. Sniffing bicycle seats is a deadly serious business where the musk-smelling fetishist is concerned. A mere whiff of fresh cunt can craze the discerning sniffer.

Thousands of women queried over the years by diverse factions seeking to understand the mystery of humankind, have reported that the taste and odor of sperm can drive them almost insane with passionate lust, an insatiable craving for even the sight of cum shooting or merely seeping out of the dick hole, plus building up in the female memory computer a program of wild desire that is so distracting that a wom-

an's capacity for concentration is severely impaired.

In a word then and referring back to one of the several ways the word or concept fetish can be interpreted, sheer eroticism would lead the rest in depth of sensation and breath of wanton excitement. For it is plain as a stain in the crotch of a pair of silky nylon panties maybe still warm and slightly moist from wear, that the romantic, amorous and carnal aspects smother the fetishist with passion and desire, make them itch, long for and languish in fantasy.

Fetish means stimulation. It suggests provocation. Often the realization that one is fetish-inclined is boxed up so tightly—by mores and other social rules that expressly forbid spontaneity, impetuosity and raw lust where sexual satisfaction is concerned—that the poor individual so frustrated. That is, they may be enjoying only a half-life, idiotically ignorant and cruelly deprived of all that's agreeable, pleasing and inspiring, seductive and tempting where sexual happiness and contentment is involved.

An excerpt from an interview with a certain Marianne of Kansas City is appropriate here:

"And when I caught my husband stealing my panties from the hamper, thinking he was so clever by replacing ones he bought to cover up his fetish need, he tried his damndest to argue out of it, even getting red in the face and trying to convince me he was legitimately outraged by my accusation.

"But it was true. I let it go. Months passed and

when he thought I'd quite forgotten the incident, I said nothing this time when I noticed him in my closet. Spying on anyone in our home is easy so I had no trouble seeing him sniffing and smelling the crotch of his wife's panties. I must admit that this aroused me. I felt a kind of unusual but not unfamiliar throbbing

in my crotch. I heard a strange ringing in my ears as I stood hidden in the hall shadows.

"As Bill licked the crotch and then rubbed the wet panties all over his face, again taking in deep breaths of air as if he were smelling stew simmering on the stove, my clit began to burn of its own accord. I was fascinated watching him. But it was when I saw him take out his dick—and my husband's dick is just adorable, I love it still—that I was really shocked!

And when he began to rub my panties up and down his shaft, even whipping his erect cock with my panties, I felt my own breath getting shorter and my pussy beginning to ooze its syrup.

“Later, after he’d driven off to work, I did something I’d promised myself I’d never do. I went into his desk. Holy Jeez! My God-fearing, church-going husband, wonderful father, good lover, handsome, well off, and healthy, was a sex maniac. The collection of panties he had in a special drawer stunned me.

“Many of these were slightly soiled. In the crotch of some there were obvious menstrual blood stains. Several pair bore the embroidered initials A.M. (Bill’s secretary in the office is named Amy M.) These were the daintiest of all, and really expensive. He also had a collection of pantyhose. I was surprised there were no bras because as far as I was concerned, since Bill and I met in college, he was always what they call a tit man.

“*Well, time passed* and with every day I found myself being drawn closer and closer to the hamper. I’d examine the panties, mimicking my husband, rubbing their perfumed silkiness over my face, then over my naked breasts, finally all over my own pussy. Once I stuffed a pair of my more soiled panties up inside my cunt. I went around all day very conscious of them being there... absorbing my own juices which were flowing so freely I felt constantly on the verge of pissing. The pressure was simply wonderful.

“I admit to sometimes being in the bath after I would step out of my panties, picking them up immediately, leaving the bath and in the privacy of my own room, smelling and licking the moist warm crotch, loving the spicy fragrance of my perfume used but more than that, closing my eyes as I rubbed and licked the crotch after masturbating my own cli-

toris with it.”

It now may be seen that fetish, in the truest sense of the word and in its most common usage, definitely suggests a degree of eroticism that has little if anything at all to do with religious zeal, or really “irrational reverence” or obsessive devotion as qualified earlier. In Marianne’s case, her own panties excited and stimulated Notice that she never confided in her husband nor did she ever admit that she was as truly “hooked” on sniffing soiled panties as he.

So in this particular and even peculiar case, the concept of fetish served as a key to unlock a floodgate of damned up passions.

Another interview, similar in confessional style and from a father of two, dealt exclusively with his foot and toe fetish. But a devotion so fanatical that it extended into boots, high heels and open-toed sandals, proved to be this man’s undoing.

So to conclude, it can be stated that above all, fetish is an aphrodisiac, an image, a tangible object to be worshipped as was the golden calf of ages past. Fetish is the sparkling jewel in the diadem, the glittering fiery sapphire in the regal crown of voluptuous and lewd sexual desire.

revitalization

We just had to do something different to spice up our sex life

my name is Peter and my new wife, Jenny is sitting with me watching some TV. I suggest we turn the TV off and try something new. New? Yes, even though we've only been married seven months, our sex life is starting to stagnate. We try to think of ways to spice it up and tonight was my turn to come up with something completely new.

I say we should sit back to back, and tell each other what we would do to one another. The first person to touch themselves, has to be the other's sex slave. Jenny says she likes the idea, so we sit on the floor, back to back. I'll start. I tell her that I'd walk up behind her, place my arms around her waist and start kissing, and nibbling on the back of her neck.

Then I would slowly caress her breast with my right hand, while holding her close with my left. As I press against her, she will be able to feel my hard-on against her butt cheeks. Then I'd lick and kiss my way to the side of her neck, where I'd suck and nibble gently. Then I'd lift her bra up, so that I'd caress her breasts better. She sits there with her eyes closed, thinking about this, and staring to get very wet.

Then I slide my hand down the front of her pants, caressing her crotch from outside her pants, feeling her wetness. While pinching her nipple and caressing her crotch, she rocks her hips back and forth, feeling my hard cock pressing against her

butt. I then turn her towards me, and we kiss, pressing my lips against hers, feeling her body getting excited, with each time our tongues touched each other. I then would remove Jenny's shirt and bra, to lick, suck and nibble on her hard nipples.

Running my tongue all over her nipple while pinching the other. She moans and lets out a short sigh. I take her nipple between my teeth and gently bite, as I run my tongue all over the tip, making her go crazy.

Then I would kiss my way down to her belly button, licking and kissing her down to her pants. I'd then undo the button and slowly unzip them. Taking both hands, on either side of her hips, I slowly remove her pants. I ask her to step out of her pants, kissing my way back up the other leg, sucking the back of her knee and licking up the inside of her inner thigh. Jenny is getting wet, thinking about how good my tongue feels on her skin.

Just then, my cell phone rings and I answer it. I step into the other room and can't see Jenny anymore. She lays back on the floor thinking about all I have said and done. She starts to pinch her own nipples, feeling them harden in her fingers. She then runs her hand inside her pants, and starts to caress her wet pussy. She is really getting in to it and doesn't hear me walk back into the room.

I stand and watch for a few minutes as she brings herself to climax. Just as she is about to cum, I say, "You

lose." She smiled, and says I guess I did. So she asks me what do I want? I think about it for a minute.

I decide that I want to watch her get herself off. She says okay. She starts to remove her clothes quickly, but I stop her and tell her first I want a strip show. So she puts her shirt back on and slowly removes her clothes, teasing me as she slowly removes each piece of clothing. She throws her bra into my face, then she undoes her pants, and teases me as she removes them.

She stands there in her panties, then bends over and pulls them to the side so I can get a better view. I see how wet she is and start to caress my

After only two minutes of rest, she told me that she was now ready to try something new, if I was up to it.

cock through my pants. She stands up and removes her panties, and throws them into my face and I smell her sweet soft scent.

Now she bends over and opens her butt cheeks so I can get a better view. While she's bent over, I hand her a dong I got when I went to the other room answering the phone. She grabs it and starts to rub it against her clit, then down to her wet vagina.

To make sure it is wet, she rubs it hard against her clit, and turning it around, she places the fatter end inside her and rubs her clit with her other hand. She removes the toy and lays down on the floor, placing both legs on the coffee table, and opens them wide. I move close to her and remove my pants, sit down, and start to rub himself. Jenny has an idea, and gets up, and goes into the other room.

While she's gone, I remove all my clothes, and wait for her to return. When she does, she has a glass of ice cubes, and a box of matches. She lights a candle, and then lays back on the floor. She allows the wax to drip on her breast as she rubs her clit with an ice cube. She then rubs the ice cube all over her wet pussy, and then up to her belly button. She slowly moves the candle down her stomach as the wax melts and drips on her body. As the wax drips on her body, she lets out soft sighs and moans. She allows the wax to run down between her legs, on her inner thighs, and all over her mons.

She blows the candle out, and then takes another ice cube, and runs it all over the wax, that has collected on her clit. Sliding the ice cube all over, she then slides it inside of her, pushing it all the way in. She starts to rub hard against her clit as the ice melts and runs from her vagina, mak-

ing a wet puddle on the floor.

I start to stroke myself more and harder, watching her as she moans and sighs. She starts to call out that she is cumming, and starts shaking as she sprays her lady-cum all over. Jenny has never gushed like that before, at least not while we've been together. Watching this, I pounded hard and fast on my cock and start to cum. I can't control my cock and lean over her and I cum all over her boobs.

Then I get down on the floor and lay next to her. We hold each other and kiss. Her body is still shaking, but whispers that now she needs to be fucked – hard. She sits up and leans into me taking my semi-hard cock into her hands, and working it back up. She takes it into her mouth, tasting the remaining cum on my cock head. I then reach over and start to caress her wet and wax-covered pussy.

Feeling the ice water running from her pussy, she lays back. I place two ice cubes inside her, and then start to lick her there. She starts shaking again and it does not take her long before she is cumming. As the ice melts and runs out, I lick it up, tasting all of her sweet juices mixed with the ice water.

Then I move and slide my hard hot cock into her cold, wet, tight pussy. She lets out a loud moan and digs her nails into my back. I ram my cock in her hard and fast, each time feeling her get tighter, and tighter. She digs her nails harder into my back, and starts yelling out with pleasure.

After only two minutes of rest, she told me that she was now ready to try something new, if I was up to it. Why wouldn't I be? We both stood up, and she laid herself over the arm of the sofa. I stood behind her and opened her legs. Then I knelt down,

and started to lick her wet pussy from behind. She starts to cum again, this time all over my face. I stand up and tease her with my cock, rubbing it all over her clit and smacking her butt with it. Then just sliding in the head, I held it just inside her.

She wanted more so she starts to ram herself hard against me. With me so deep inside her, she starts to cry out in loud sexual passion to fuck her harder, which I do until her screaming melts into a soft whimper of a final climax. Soon, as we're both covered in sweat, it's my turn and I start to cum. I pull out and spurt all over her butt. We fall to the floor tired, all hot and sweaty. After a few minutes, she says that we should take a shower, and finish up in there. I smile and tell her I'd race her to it.
